NOTE FOR THE DEPUTY DIRECTOR FOR ADMINISTRATION

Harry
Harry,

We endorse the DDA's efforts to bring the position classification process into closer conformity with the budget process. This is something we have been trying to do (unsuccessfully to date) for several years.

Recommendation 3.b. is likely to be the most contentious. To ameliorate potential problems and to soften this a bit, we suggest you might want to consider adding a new last sentence to this recommendation, as follows:

"Exceptions must be justified to and approved by the Director of Personnel."

While the suggested change may dilute the recommendation somewhat, we believe that there must be room to consider exceptions. In our view, this minor change would make the recommendation more palatable.

Dan
